**Do you agree with our proposal to change the existing 80km/h speed limit on a section of Oparure Road to 50km/h permanently?**

Yes

**Other comments**

I am a kaiako at the local kura. The 50k limit makes me feel alot safer when turning off Oparure road into the kura. While stationary and indicating to turn into the kura, I have nearly been hit by oncoming traffic and also rear ended by cars and big trucks.

Driving out of the kura also requires a quick exit onto the road to avoid speeding cars and trucks coming from Boddies Road end.

A slower speed limit would create a safer enter and exit into the kura for staff, students and visitors.
