The following guidelines are prepared to assist applicants in the preparation of their application. Please read carefully.

- Funding will be available for organisations within the Te Kuiti defined urban area only.
- The Trustees have absolute discretion to decide the allocation of funding within the terms of the bequest, which encompasses social, cultural, educational and recreational activities.
- Funds will not be available where a project either has commenced or has been completed prior to the advertised closing date.
- The Trustees generally receive many more applications than there are funds available and each application will be considered on its merits.
- Funds will not be allocated to those applicant organisations which have received funding from the Trust in the previous three years.
- Generally, funds will not be available for maintenance type activities or minor projects, which could be more appropriately met from the general funds of the organisation.
- Applicants will be encouraged to submit applications for capital-type items, which give benefit to a greater number of participants.
- The Trustees believe applicants should demonstrate their commitment to the project by providing evidence of provision of a substantial contribution towards the project. This contribution can be by way of monies, labour or assistance "in kind".
- Funding will generally be available to those applicant organisations where the project can be completed within the financial year of the allocation.
- If the funds are not uplifted within the financial period of the allocations then the amount allocated may be re-allocated, or re-invested to the capital fund.
- Applicant organisations which have been allocated funding will be required to provide evidence that any stipulated criteria has been met prior to the funds being made available.
- All successful applicant organisations will be required to complete a receipt form acknowledging the amount allocated has been received.
- All successful applicant organisations will be required to complete an Accountability Form providing details of exactly how the amount allocated has been spent.
