Speak_to_Council_Hearing: No_not speak

PROPOSAL_1_SAFE_COMMUNITIES: I support Option 1 for proposal 1
SAFE_COMMUNITIES_COMMENTS: As long as the funds are spent wisely.

PROPOSAL_2_NORTH_KC_SPORTS:
NORTH_KC_COMMENTS: I can't decide on this one. While I can see the benefit for the community in terms of having a great asset, I feel it really only benefits Te Kuiti - not Piopio, Mokau or Benneydale. I don't like that it is aligned to a school as it creates an unfair advantage to TKHS students when there are Piopio College students in our district as well. I'd like to know what will happen to the stadium on King St. Will it become another run down building??? why can't this be upgraded?

PROPOSAL_3_ECONOMIC_DEVELOPMENT: NO. I do not support Council's proposal 3 Economic Dec
ECONOMIC_DEV_COMMENTS:

PROPOSAL_4_RATES_REMISSION: YES. I support Council's proposal 4
RATES_REMISSION_COMMENTS: Regarding the new businesses, I believe strict criteria needs to be applied and upheld, and a standard needs to be set and maintained. It is also not clear if the building owner will get the rates remission or the business itself - because the new business may not own the building and therefore won't need to pay rates, but they pay for leasing a building - which I believe is exorbitant in this town. It is no wonder we have so many empty buildings. I can only imagine it relates to the rates charges.

PROPOSAL_5_PUBLIC_TOILETS: I support option 1 for proposal 5
PUBLIC_TOILET_COMMENTS:

PROPOSAL_6_FUNDING_WATER_SEWERAGE: I support Option 1 for proposal_6
FUNDING_WATER_SEW_COMMENTS: I have ticked yes, but would like to point out that my property gets water from a natural spring and we pay for our own sewerage removal. I would not expect my neighbour to pay for my sewerage removal nor would I expect to be billed for theirs. However, water and sewerage is important so if it benefits the community on the whole, then I am okay with that.
