**Do you agree with our proposal to change the existing 80km/h speed limit on a section of Oparure Road to 50km/h permanently?**

No

**Other comments**

I feel there has never been an issue with the speed limit through Oparure. I feel it would be more suitable to put up digital signs that change the speed limit by the school during the morning of school and after school. As that's when there are cars coming and going from the school. I feel 50km all the way through Oparure is unnecessary. What needs to be addressed is the road that is continuously getting bandaged fixed below the school.
