Activities and events round up

The town turned yellow for Daffodil day. Our Legendary volunteers worked their magic to decorate Rora Street.

The Main Street mob looked the part thanks to Wireless Dynamics and

we even managed to coax some daffodils to flower at the right time (thank you Te Kūiti Mitre 10). Another thank you to Te Kūiti Appliance Plus for providing the balloon transport - the van was full!

What an incredible effort our Legendary businesses went to support the fundraising too. The whole street was a buzz and felt so welcoming and vibrant.

After more than eight years of celebrating good deeds, acts of kindness and community spirit.

It had got to the point where we couldn't fit anymore names on our Legends Trophy and with nominations still rolling in we needed a solution!

King Country Kitchens to the rescue.

They rebuilt the trophy keeping the original top and engraved plates and with provided extra space so we can keep adding recipients for years to come. Thanks Steve.

In July we held our second Business After 5 (BA5) for the year. We teamed up with North King Country Development Trust (NKCDT) and Business Mentors NZ. Kyle Barnes presented for the NKCDT and Tony Kane presented a very informative talk on behalf of Business Mentors NZ.

The value of mentoring was explored. Tony also encouraged business owners to consider becoming business mentors. If you believe that business mentoring could help you and your business The North King Country Development Trust is offering to pay \$200 towards the \$295 fee. To apply head to <https://www.nkcdt.co.nz/funding-information/>

The first recipient for the newly refurbished Legends Trophy is The Te Kūiti and Districts Highland Pipe Band.

These committed volunteers provide the soundtrack to our community celebrations and commemorations; the Great New Zealand Muster, Christmas Parades, Anzac Day and more. This group has for the last 75 years brought joy, ceremony and pathos in equal measure.
