WAITOMO CAVES ROAD SUBSIDENCE REPAIRS

Waitomo District Council wishes to advise that due to a change in design methodology the construction period for the repair work on the site has to be extended.

Therefore for the purpose of emergency works to repair subsidence, the following will be closed to ordinary vehicular traffic for the periods indicated hereunder.

Street/Road: Waitomo Caves Road – East Bound Lane only - starting from its intersection with access to the Domain to the Aranui Caves facility.

Period of closure: Mid June to end of August, 24 hours per day.

Waitomo District Council will endeavor to keep delays and disruption to a minimum. We apologise for the continuing inconvenience at this location.
