**Option 1**  
I agree with Council's preferred option to postpone the harmonisation of water supply rates until Year 4 (2024/2025).

**Option 2**  
I would prefer that Council keeps the status quo and complete this work as planned in Year 1 (2021/2022), noting this will largely impact Te Kuiti ratepayers.

## My comment on this proposal

Being a Takititi based homeowner,  
I support keeping rates more affordable  
for as long as possible, especially  
when there is uncertainty, at this time,  
about the future of water sources.

## What do you think about our plans for projects and activities? (see Consultation Document)

Regarding Leadership, Community &  
Partnerships, I'm disappointed that nothing  
has been mentioned <sup>substantive</sup> for establishment of a Māori  
Ward with mana whenua entitlement to be a  
What do you think about our plans for finances  
and rates? (see Consultation Document) <sup>the</sup> Council <sup>is</sup> affordable.  
It seems to be the best option  
available.
