## WDC RUBBISH BAGS

Revenue from the sale of rubbish bags is used to fund the cost of the **Kerbside Refuse Collection Service** in the financial year the service is rendered.

The December issue of the Waitomo Way (published by the WDC), announced the introduction of a new light blue official rubbish bag to replace the dark grey bags which have been in circulation up to this time. It was also communicated that Waitomo District Council would accept the dark grey rubbish bags through to the end of June 2012.

## **WDC have decided to extend the last use date for the dark grey rubbish bags to 31 December 2012.**

This is intended to allow sufficient time for residents to exhaust their supply of dark grey rubbish bags.
