## Reasons

1. This is an application by Tourism Holdings Limited for the renewal of an on-licence in respect of the premises situated at 584 State Highway 3, Ōtorohanga known as Waitomo Homestead. The operation remains as a Class 2 Restaurant.
2. The application was advertised and there have been no objections by members of the public. The Liquor Licensing Inspector, Police and the Medical Officer of Health have provided reports and do not oppose the application. Accordingly, the matter is decided on the papers (section 134).
3. The object of the Act is to ensure that the sale and supply of alcohol is undertaken safely and responsibly, and the harm caused by excessive or inappropriate consumption of alcohol is minimised (section 4).
4. In deciding whether to renew an on-licence the licensing committee must have regard to sections 105 and 131 of the Act. Therefore, this committee must consider the following questions within the framework of the purpose and object of the Act:
  - a) Is the applicant suitable?
  - b) Are the days and hours during which the applicant proposes to sell alcohol reasonable?
  - c) Is the design and layout of the premises suitable?
  - d) Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments and food?
  - e) Does the applicant have appropriate systems, staff and training to comply with the law?
  - f) Have the police, inspector and medical officer of health raised any relevant considerations?

- g) Will the amenity and good order of the locality be increased by more than a minor extent by the effects of a refusal to renew the licence?
- h) Has the applicant sold, displayed, advertised or promoted alcohol in a responsible manner?
- i) Does the application comply with the Waitomo District Local Alcohol Policy?

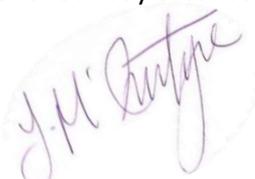

**Should the licence be renewed?**

- 5. The licensing committee is satisfied that Tourism Holdings Limited is a suitable applicant to hold an on-licence. The company incorporated under the Companies Act 1993 on 19 September 1984 and is listed on the New Zealand stock exchange. Tourism Holdings Limited operates several venues in the region and has demonstrated compliance with the Sale and Supply of Alcohol Act 2012. The company has an appropriate Host Responsibility Policy and has produced evidence of a comprehensive staff training programme. There are 4 certificated duty managers who are responsible for ensuring compliance with the Act.
- 6. Tourism Holdings Limited propose to continue operating as a restaurant from 9.00am to 12midnight, Monday to Sunday. The licensing committee is satisfied that these are appropriate hours of operation.
- 7. The Licensing Inspector reports that the application complies with the Waitomo District Local Alcohol Policy.
- 8. The licensing committee is satisfied that the premises has a suitable design and layout to meet the requirements of the Act. The premises comprise two small function rooms, a main café and restaurant area, and a covered outdoor deck. The retail area is included within the licensed area, as there is no physical separation between it and the café/restaurant space. The Inspector considers this arrangement appropriate, as it prevents the accidental removal of alcohol into an unlicensed area. This configuration was also approved at the previous renewal. The garden area is not included within the licensed area and is not used for events such as weddings. There are no proposed changes to the layout of the licensed area since the last renewal.
- 9. The licensing committee is satisfied that the renewal of the on-licence will not reduce the amenity and good order of the locality by more than a minor extent. There have been no reports of any nuisance, vandalism or noise problems associated with this premises in the past 12 months.
- 10. The Licensing Committee is satisfied that alcohol is sold, displayed, and promoted in a responsible manner and in accordance with the requirements of the Act, and that suitable measures are in place to ensure any harm caused by inappropriate or excessive consumption is minimised.

**Conclusion**

- 11. Therefore, the application for the renewal of the on-licence is granted.
