

WDC Notices

Ministry of Health Notice

Some plumbing fittings have the potential to allow minute traces of metals to accumulate in water standing in the fittings for several hours.

Although the health risk is small, the Ministry of Health recommends that you flush a mugful of water from your drinking-water tap each morning before use to remove any metals that may have dissolved from the plumbing fittings.

Waitomo District Council is recommending this simple precaution for all households, including those on public and private water supplies.

Notice of Meeting - Piopio Wastewater Treatment Plant Community Liaison Group

Pursuant to an Order of Court and approved Conditions of Consent for Discharge Permit 117290 dated 17 February 2011, the Waitomo District Council wishes to invite interested parties to attend the annual meeting of the Piopio Wastewater Treatment Plant Community Liaison Group.

The purpose of this meeting is to provide feedback and comment on environmental issues relating to the operation of the Piopio Wastewater Treatment Plant.

This meeting will be convened on Thursday 22 August 2013 at the Piopio Hall, on the corner of Moa Street (State Highway 3) and Weka Street, Piopio commencing at 1.30pm.
