for renewal of an off-licence  
pursuant to section 127 of the  
Act in respect of the premises  
situated at 95 Rora Street, Te Kuiti,  
known as Te Kuiti SuperValue  
Supermarket

**DECISION OF THE WAITOMO DISTRICT LICENSING COMMITTEE**

1. The off-licence 019/OFF/001/2020 in respect of the premises situated at 95 Rora Street, Te Kuiti and known as Te Kuiti SuperValue Supermarket is renewed for a further period of 3 years. The licence may issue upon payment of the annual fee.
2. The present conditions of the licence continue to apply.

**REASONS**

**The Application**

1. This is an application by Te Kuiti Holdings Ltd for the renewal of an off-licence in respect of the grocery store known as Te Kuiti SuperValue Supermarket. The shop currently has licensed hours from 7.00am to 10.00pm. This application was filed 20 working days before the expiry of the off-licence as required by section 127(2)(b).
2. The application was advertised, and no objections were received from members of the public. The Licensing Inspector, Police and the Medical Officer of Health have provided reports and do not oppose the application. Accordingly, the application is decided on the papers (s 202(1)).

**Is the proposed Te Kuiti SuperValue Supermarket a grocery store?**

3. The licensing committee is satisfied that the Te Kuiti SuperValue Supermarket remains a supermarket. The Statement of Annual Sales Revenue prepared by chartered accountant shows that food products form the greatest category of gross sales.

### **Does Te Kuiti SuperValue Supermarket meet the criteria in section 105?**

4. The purpose of the Act is to put in place a new system of control over the sale and supply of alcohol (s 3). The object of the Act is to ensure that the sale and supply of alcohol is undertaken safely and responsibly, and the harm caused by excessive or inappropriate consumption of alcohol is minimised (s 4).
5. In deciding whether to renew an off-licence the licensing committee must have regard to sections 131 and 105 of the Act. Therefore this committee must consider the following questions within the framework of the purpose and object of the Act:
  - a) Is the applicant suitable?
  - b) Are the days and hours during which the applicant proposes to sell alcohol reasonable?
  - c) Is the design and layout of the premises suitable?
  - d) Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments and food?
  - e) Does the applicant have appropriate systems, staff and training to comply with the law?
  - f) Have the Police, Inspector and Medical Officer of Health raised any relevant considerations?
  - g) Will the amenity and good order of the locality be increased by more than a minor extent by the effects of a refusal to renew the licence?
  - h) Has the applicant sold, displayed, advertised or promoted alcohol in a responsible manner?
  - i) Does the application comply with the Waitomo District Local Alcohol Policy?
6. In forming an opinion on whether the amenity and good order of the locality would be likely to be increased by more than a minor extent by the effects of a refusal to renew the licence, the licensing committee must consider the current and possible future noise, nuisance and vandalism levels (section 106(2)).
7. The licensing committee is satisfied that Te Kuiti Holdings Ltd meets the criteria in sections 131 and 105. Te Kuiti Holdings Ltd is a suitable applicant to hold an off-licence. The company has demonstrated compliance with the Sale and Supply of Alcohol Act 2012. The current trading hours are reasonable.
8. The licensing committee is satisfied that the premises has a suitable design and layout to meet the requirements of the Act. It is well appointed and able to be monitored effectively by the staff of the premises and closed-circuit television cameras.
9. The licensing committee is satisfied that Te Kuiti Holdings Ltd has an appropriate Host Responsibility Policy and staff training programme. There are sufficient Duty Managers employed to ensure compliance with the Act.
10. The licensing committee is satisfied that the renewal of the off-licence will not reduce the amenity and good order of the locality by more than a minor extent. There have been no reports, from the Police or members of the public living in this community, of any nuisance, vandalism or noise problems associated with this premises in the past three years. The licensing committee is satisfied that alcohol is sold, displayed and promoted in a responsible manner and in accordance with the requirements of the Act.

**Does the application contain an appropriate single alcohol area?**

11. When issuing an off-licence for a grocery store, the licensing committee must impose a condition on the licence describing one area within the premises “as a permitted area for the display and promotion of alcohol” (section 112(2)). The single alcohol area must (so far as is reasonably practicable) “limit the exposure of shoppers in supermarkets ... to displays and promotions of alcohol” (section 112(1)). It may not be situated in an area “through which the most direct pedestrian route between the entrance to the premises and main body of the premises” or an area “through which the most direct pedestrian route between the main body of the premises and any general point of sale passes” (section 113(5)). No display or promotion of alcohol is permitted outside the alcohol area (section 114(1)(a)). A licensee must not display, promote or advertise non-alcohol products in a single alcohol area that does not contain sub-areas (section 114(1)).
12. The Inspector reports that the single alcohol area is unchanged and remains in compliance with the plan referred to in condition (d) and (e) of the licence.

**Conclusion**

13. Therefore, the application for the renewal of the off-licence is granted.
