

GUIDE TO OUR KERBSIDE RECYCLING COLLECTION SERVICE

Plastic types 1 & 2

- Look for a 1 or 2 symbol on the plastic.
- Remove and discard all lids.
- Rinse well and squash all items.

Recycle household plastics like milk bottles, food or drink containers, meat trays (remove plastic wrap, rinse and recycle).

We do not accept plastic types 3, 4, 5, 6 and 7.

Aluminium and Tin

- Rinse well and squash all items.
- Aluminium drink cans, plates and trays, food tins.

We do not accept solvent cans, paint tins, aerosol cans, tin foil, or any kind of scrap metal.

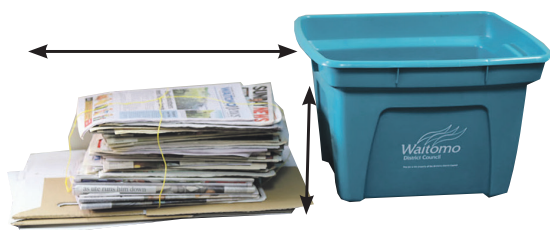

Glass - clear, brown and green

- Remove and discard all lids and bottle caps.
- Rinse bottles and food jars thoroughly.

We do not accept light bulbs, drinking glass, window glass, broken glass, ceramics or porcelain.

Paper and cardboard

- Flatten cardboard.
- Stack neatly, secure and place inside/next to green bin.

Clean egg cartons, cardboard boxes, newspaper and plain paper. Paper and cardboard recycling that is the **same volume as the green bin** will be accepted.

IMPORTANT: Place green bin on the kerbside **by 8am** on the day of collection. The Piopio, Mokau/Awakino and Waitomo ward and Village collection takes place on a Tuesday. Te Kuiti's collection takes place on a Friday.

We do not accept contaminated green bins, non-recyclable items, overfilled bins, non-WDC containers, commercial volumes of recycling. Large volumes of recycling **must be disposed of by the occupier** at the Landfill or Transfer Station. The occupier is responsible for any waste not collected because of non-compliance with WDC's Solid Waste Bylaw. Any recyclables must be removed back to the occupier's premises by the evening of collection day, and alternative arrangements for disposal shall be made by the occupier as soon as practicable.
