Other comments:

A Question Really?  
Why shouldn't the road be 60-70km  
like all other schools and by the  
marae, and when the marae has  
an event they put their cones out  
like they do at the moment to warn  
traffic of more people around the area,  
As that is only when the area is needed  
to be at a lower speed
