Do you agree with our proposal to move the waste transfer station in Awakino to the Inframax Depot in Mōkau?

Yes - move the transfer station to Mōkau No - keep the transfer station in Awakino

No one wants it here, its a waste of money to move it - less travel: then anakno residents have to travel, Mōkau residents are used to where it is.

- Higher usage: Low people still want use it, they are lazy & with rising fees & costs will avoid using the dump

- illegal dumping: same as above, illegal behavior doesnt change!

Do you have any feedback on the draft Annual Plan 2026/27?

- current industrial: GOOD! Keep the smell & shit away from our houses, town and community.
