Waitomo Caves Road Subsidence Repairs

Emergency repair of road subsidence between the Waitomo Village and the Waitomo Caves building is scheduled to commence on **Thursday 19th April 2012**.

The work will involve the construction of three retaining walls in this tight section of road for an expected period of twelve weeks.

Traffic will be reduced to one lane through positive traffic management between **7.00am and 7.00pm, Monday to Saturday**.

It is not anticipated that there will be any work carried out through the night or on Sundays.

WDC will endeavour to keep delays and disruptions to a minimum. We apologise for any inconvenience this may cause.

Dated at Te Kuiti this 10th day of April 2012.
