Speak_to_Council_Hearing: No_not speak

PROPOSAL_1_SAFE_COMMUNITIES: I support Option 2 for proposal 1
SAFE_COMMUNITIES_COMMENTS:

PROPOSAL_2_NORTH_KC_SPORTS: I support option 2 for proposal 2
NORTH_KC_COMMENTS: I do not believe there is enough hard financial information about the long term costs to ratepayers of this facility. It would be a "nice to have" when the focus instead should be on debt and rates reductions. There are facilities all across NZ that have been built by trusts that aren't sustainable without heavy council subsidies. This is looking to be one of them.

PROPOSAL_3_ECONOMIC_DEVELOPMENT: NO. I do not support Council's proposal 3 Economic Dec
ECONOMIC_DEV_COMMENTS:

PROPOSAL_4_RATES_REMISSION: NO. I do not support Council's proposal 4
RATES_REMISSION_COMMENTS: I support the remission category to assist ratepayers effected by natural calamity, but do not support rates remission for business development. If WDC reduced its rates that would also attract development, and not at the expense of existing ratepayers.

PROPOSAL_5_PUBLIC_TOILETS: I support option 1 for proposal 5
PUBLIC_TOILET_COMMENTS:
PROPOSAL_6_FUNDING_WATER_SEWERAGE: I support Option 2 for proposal_6
FUNDING_WATER_SEW_COMMENTS: User pays makes sense to me, despite living in Piopio. I don't think other ratepayers should cross subsidise us, and vice versa. Better to have transparency on costs/investments.
