Do you agree with our proposal to change the existing 80km/h speed limit on a section of Oparure Road to 50km/h? (from 100m west of Fullerton Road to 600m west of Boddies Road Intersections)

Yes, I agree No, I do not agree I'm not sure

Other comments:

I live 100 meters from the 50 km sign and it is clear that prewarning signage is required a lot further ^{back from where it starts} away to warn traffic coming from the west that they are approaching a 50 km speed sign reduction area. They are upon the gate way to the marae to ~~arrive~~ as soon as they see the current 50 km sign. I was born here in Oparure & have grown up here and I am afraid to walk from my home/whare to the marae due to the speed and traffic. I am a very fit and vibrant 85 year old who still wishes to walk in my village as I did as a child.
