I wish to speak to Council about my submission

No

Should we move the Awakino Transfer Station to Mōkau?

I agree with Option 2 - Keep the Transfer Station in Awakino

My feedback on the Awakino Transfer Station

No, I believe rubbish will still be dump outside the current rubbish recycling bins by the public toilets anyway. The problem isn't with residents it's with travelers.

There may be a smell that may effect the neighbors during the summer months.

We should have the council removed the rubbish more often during the summer/peak periods.

I don't have any issues driving a couple of times a year to the transfer station in Awakino to dump my rubbish.

Do you have any feedback on the Draft Annual Plan 2026-27?
