

A winter warmer programme at the Te Kuiti Public Library for wiggly little book-worms who love good books

Hey Readers

If you're aged 5 to 12 years and love to read, get yourself down to the library to register for our free, fun Winter Warmers Reading Challenge.

You get to choose and take home 10 books during the Winter Warmers 6-week programme. You will receive a special booklet to guide you through an easy, fun activity for each book. There are stickers, reading maps, book review forms, word-finds and coupons. You may even win a prize!

There's also a great Winter Warmers reading and quiz programme for teens and adults.

Winter Warmers starts on June 21 and there are limited spaces, so be in quick!
