Do you agree with our proposal to change the existing 80km/h speed limit on a section of Oparure Road to 50km/h permanently?

Yes

Other comments

i agree with the proposed change from 80kms to a permanent 50km/h

i don't agree with the 100mt west of Fullerton-should be 100mtr east and 600mtr west of Boddies should be 800 mtrs to give Vehicals time to slow before Marae entrance

Also think the engine braking sign that is aprox 1km west of Boddies rd should be moved closer to Smart plants

We live on Boddies rd but i no longer allow my school age daughter to walk on Boddies rd or use the bus pick up on the corner by Oparure and Boddies rd because of vehicle speeds both ways - we drop her off at school everyday

Turning into Boddies rd makes us nervous because of vehicle speeds not only coming towards us but from behind while also dealing with the added pressure of camper vans and tourists up and down Boddies rd. I feel our roads are no longer walkable which is not how it should be.

Hopefully my comments help to make an informed decision and an outcome beneficial for our Oparure whanau

Public availability of responses

I wish to speak to Council about my submission

No
