**The future of the Council Owned seawall at Mōkau**

Option B - Rate Option 4 : Not replace the Mōkau seawall with  
General Rate /UAGC District Wide

**My comments on the Mōkau Seawall**

The seawall should be removed. The road blocked at the end for safety reasons and the track to the inside of the point cleared up for access. No more money should be wasted on the point seawall as it will only fail in short time. Enough money has been wasted already.
