4 Robin Azariah Place

28th April 2015.

The Mayor and Councillors
Waitomo District Council.

P.O. Box 404

Good morning,

I wish to bring to Council the requirement of forming 'Je Kumi side Road' into the towns roading network. I realize there are major title issues that would have to be resolved.

Living on Robin Azariah Place has highlighted the many out of town people driving into this area expecting to get back onto the main road North, resulting in them driving out and away at great speed.

Clearly the previous surveys have had this development in mind. The number of homes in this street deserve better than an unformed sealed road.

Now Faithfully . Ian R. Wards.
