Council intends to hear submissions on 10 November 2015.

Do you wish to speak to Council at the Council Hearing?

Yes

No

If you do not tick either box, we will assume that you do not wish to be heard

Please note that all submissions received will become public documents.

Please give us your feedback on the structure and level of the proposed fees as outlined on Page 3.

- We can't give feedback when we don't know how the new Act and proposed fees will affect us.
- We are currently paying \$450.00 per year. Are the proposed fees on top of this?
- Are we an 'existing' or a 'new' applicant.
- Would like to know what training the Council will put in place for establishments to comply with the Act.
- The Act could be interrupted in different ways; therefore training under different Councils will be imperative for establishments to comply
- Will all food handling businesses be treated the same? Will there still be inspections with a pass or fail? What certificate will be displayed?

Subject: Statement of proposal for Food act 2014

Dear Sir,

Re : Statement of Proposal for Food act 2014

We have been running the Dairy for the past 15 years and we DO NOT Prepare any food ourselves the only food we sell are pre packed groceries, confectionary, drinks etc

The \$450.00 yearly licence is equally exorbitant.

We have to open till 10.00 p.m. every night for 7 days to make ends meet. We have done this for the past 15 years as a service to the community.

The Supermarkets are open much later then they used to be and Gas stations have also selling the same.

The competition is definitely high and the profitability has been reduced therefore we are totally against any further Increases.

Thank you.

Regards

Shaan Ali

Waitomo District Council

PO Box 404

TE KUITI

We, the undersigned, strongly object to the proposed fees by the Waitomo District Council, for the Food Act 2014.

The proposed fees appear to be exorbitant, with an hourly rate being charged that is double that of any other service provider to the food industry. eg: plumber, electrician, builder.

There needs to be some form of justification for these fees, with the costs being portrayed to the objectors as to how the Council has reached these dizzy heights.

Our industry is struggling to recover costs in the current market with excessive rates, sewer charges, waste charges and now the proposed Food Act costs.
