

WDC Community Partnership Fund

As a result of the recent adoption of Waitomo District Council's 2010 Community Development Strategy, a new yearly funding opportunity for community-focused organisations and groups within the district has been created.

The Community Partnership Fund aims to help Waitomo District Council work closely with the community, offering access to funding and in kind support to groups working on significant community projects that contribute to improving the well-being of our District's communities.

This fund is intended to provide an opportunity for organisations to undertake larger community projects in the district, therefore all applications will require the inclusion of a detailed business plan.

Projects funded may include, but are not limited to:

- Community Building Renovations
- Urban Infrastructure Projects
- Youth Services/Facilities
- Health/Social Programmes

Waitomo District Council will soon open the 2010/2011 Community Partnership Funding round. Community organisations who would like more information about the fund are encouraged to visit Council's website www.waitomo.govt.nz or contact Waitomo District Council on 07 8780 800 for further information.
