**Do you agree with our proposal to change the existing 80km/h speed limit on a section of Oparure Road to 50km/h permanently?**

Yes

**Other comments**

There is a lack of any footpath between the Marae and the Ototoika Road and Kura. This results in pedestrians being forced onto the road without protection.

Without a prohibition on engine braking, trucks from Claymont come through weekdays and Saturdays as early as 6.15am. Is there a way to prohibit engine braking at any time.

What, if any plans are there for traffic calming to enforce the speed restrictions without Police presence.
