Should we move the Awakino Transfer Station to Mōkau?

I agree with Option 2 - Keep the Transfer Station in Awakino

My feedback on the Awakino Transfer Station

Transfer Sation in Mokau could create smells/odours for surrounding houses. Could attract rats.

Current transfer station at Awakino works well .

My suggestion is to take away completely the recycle station on main st, replace with clear sign directing rubbish to Awakino transfer station, Open Awakino transfer station for example three days per week.

Do you have any feedback on the Draft Annual Plan 2026-27?
