- (k) The entire premises is undesignated.

REASONS

1. This is an application by Aria Cosmopolitan Club Inc for a special licence for the annual quiz night to be held at their premises on the 11 October 2025. This application was received more than 20 working days prior to the event as required by section 137 of the Act.
2. The Liquor Licensing Inspector, Police and Medical Officer of Health have no opposition to this application for a special licence (s 141). Accordingly, this application is decided on the papers (s 202).
3. The object of the Act is to ensure that the sale and supply of alcohol is undertaken safely and responsibly, and the harm caused by excessive or inappropriate consumption of alcohol is minimised (s 4).
4. In deciding whether to grant a special licence the District Licensing Committee must have regard to the criteria in s 142 of the Act. Therefore, this committee must consider the following questions within the framework of the purpose and object of the Act:
 - a) What is the nature of the event? Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments and food?
 - b) Is the applicant suitable?
 - c) Will the amenity and good order of the locality be reduced to more than a minor extent by the effects of the issue of the licence?
 - d) Are the days and hours during which the applicant proposes to sell alcohol reasonable?
 - e) Is the design and layout of the premises suitable? Are any areas of the premises designated restricted or supervised areas?
 - f) Does the applicant have appropriate systems, staff and training to comply with the law? What steps will the applicant take to ensure that alcohol is not sold to prohibited persons?
 - g) What proposals does the applicant have in relation to the sale and supply of non-alcoholic drinks and food, low-alcohol drinks and the provision of help with or information about alternative forms of transport from the premises?
 - h) Have the Inspector, Police and Medical Officer of Health raised any relevant considerations?
 - i) Does the application comply with the Waitomo District Local Alcohol Policy?
5. The licensing committee may refuse a special licence even if there was no objection to the application (s 144). Sections 146 – 149 of the Act outline the compulsory and discretionary conditions for a special licence.

Should a special licence be granted?

6. The quiz night annual event and open to the public. A publicity flyer has been provided identifying the event. The Aria Cosmopolitan Club Inc estimates around 150 will attend the event. The issue of a special licence for this event will allow the club to sell alcohol to non-members of the club attending the event.
7. The licensing committee is satisfied that Aria Cosmopolitan Club Inc is a suitable applicant to hold a special licence. The club currently holds a club licence (and club off licence) and has demonstrated compliance with the Sale and Supply of Alcohol Act 2012. A Duty Manager will be present on the premises for the duration of the proposed event to ensure compliance with the Act. The licensing committee is satisfied that proposed hours are reasonable.
8. The Licensing Inspector reports that the application does comply with the Waitomo District Local Alcohol Policy.
9. The licensing committee is satisfied that suitable measures will be taken to ensure that alcohol is sold and supplied responsibly, and that harm caused by inappropriate or excessive consumption of alcohol is minimised. Given the nature of the events and the venue it is not likely that the issue of the special licence will adversely affect neighbouring properties.
10. The licensing committee is satisfied that the design and layout of the premises is suitable given the temporary nature of the licence. The licensed area is to be undesignated and is formed from the dining area, kitchen, bar area and an outside fenced area.
11. The applicant will provide sufficient food, low-alcohol, and non-alcoholic refreshments. Supper will be provided from 8pm-10pm which consist of platters, for each table, containing sausage rolls, savouries, club sandwiches, cocktail sausages and a range of sweets and fruit. Once plates finish sausages and bread will be offered. Bar snacks are always available for purchase. Free water will be provided.
12. The licensing committee is satisfied that the applicant will provide information about alternative forms of transport from the premises, including a courtesy vehicle and sober driver services and a free phone for customers to call those services.

Conclusion

13. The licensing committee is satisfied that the grant of the special licence with the appropriate conditions will ensure the safe and responsible supply of alcohol and the minimisation of harm caused by excessive or inappropriate use of alcohol.
14. Therefore, the application for a special licence is granted.
