## REASONS

1. This is an application by Tainui Wetere Domain Recreational Reserve Society Inc for a special licence for Community BBQ and Music event to be held at the Tainui Wetere Domain on 1 February 2025. This application was received more than 20 working days prior to the event as required by s137 of the Act.
2. The Licensing Inspector, Police and Medical Officer of Health have no objection to this application for a special licence (s 141). Accordingly, this application is decided on the papers (s 202).
3. The object of the Act is to ensure that the sale and supply of alcohol is undertaken safely and responsibly and the harm caused by excessive or inappropriate consumption of alcohol is minimised (s 4).
4. In deciding whether to grant a special licence the District Licensing Committee must have regard to the criteria in s 142 of the Act. Therefore, this committee must consider the following questions within the framework of the purpose and object of the Act:
  - a) What is the nature of the event? Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments and food?
  - b) Is the applicant suitable?
  - c) Will the amenity and good order of the locality be reduced to more than a minor extent by the effects of the issue of the licence?
  - d) Are the days and hours during which the applicant proposes to sell alcohol reasonable?
  - e) Is the design and layout of the premises suitable? Are any areas of the premises designated restricted or supervised areas?
  - f) Does the applicant have appropriate systems, staff and training to comply with the law? What steps will the applicant take to ensure that alcohol is not sold to prohibited persons?
  - g) What proposals does the applicant have in relation to the sale and supply of non-alcoholic drinks and food, low-alcohol drinks and the provision of help with or information about alternative forms of transport from the premises?
  - h) Have the Inspector, Police and Medical Officer of Health raised any relevant considerations?
  - i) Does the application comply with the Waitomo District Local Alcohol Policy?
5. The licensing committee may refuse a special licence even if there was no objection to the application (s 144). Sections 146 – 149 of the Act outline the compulsory and discretionary conditions for a special licence.

### **Should the special licence be granted?**

6. The applicant proposes to operate a community BBQ and music event to bring the community together and install a sense of connection in the domain. Proceeds are going to Tainui Wetere Domain Recreational Reserve Society Incorporated. The estimate of the number of people attending is up to 300 and it is being advertised as a family friendly event. The licensing committee is satisfied that the proposed trading hours are reasonable.
7. The Licensing Inspector reports that the application does comply with the Waitomo District Local Alcohol Policy.
8. The licensing committee is satisfied that Tainui Wetere Domain Recreational Reserve Society Inc is a suitable applicant to hold a special licence. Tainui Wetere Domain Recreational Reserve Society Inc is entitled to hold an on-site special licence because the organisation is incorporated under the Incorporated Societies Act 1908 and has demonstrated compliance with the Sale and Supply of Alcohol Act 2012 in the past. There is 1 certificated Duty Manager who is responsible for ensuring compliance with the Act. All staff receive training in the requirements of the Act.
9. The licensing committee is satisfied that suitable measures will be taken to ensure that alcohol is sold and supplied responsibly, and that harm caused by inappropriate or excessive consumption of alcohol is minimised. There will be reliable volunteers checking ID, the bar will be closed at a sensible time and there will be a number of volunteers who will be keeping watch on the day.
10. Given the nature of the event and the venue it is not likely that the issue of the special licence will adversely affect neighbouring properties. The licensing committee is satisfied that the design and layout of the premises is suitable given the temporary nature of the licence. The premises consists of club rooms with an external deck. An additional outside area beyond the deck, as illustrated within the plans date stamped 30 September 2024, is also licensed for this event. This area will primarily be used for the food trucks to set up. The entire area is to be an undesignated area.
11. The licensing committee is satisfied that the applicant will provide sufficient food, low alcohol and non-alcoholic refreshments. Free water will be provided at the bar. The use of taxi services will be promoted as a safe option for transport home from the event.

### **Conclusion**

12. The licensing committee is satisfied that the grant of the special licence with the appropriate conditions will ensure the safe and responsible supply of alcohol and the minimisation of harm caused by excessive or inappropriate use of alcohol.
13. Therefore, the application for a special licence is granted.
