Option 1
I agree with Council's preferred option to postpone the harmonisation of water supply rates until Year 4 (2024/2025).

Option 2
I would prefer that Council keeps the status quo and complete this work as planned in Year 1 (2021/2022), noting this will largely impact Te Kuiti ratepayers.

My comment on this proposal

GET IT DONE NOW
my experience with business
- costs never cheaper than
now leave and the
costs just climb every year
you leave it.
