

Background

The Sport NZ Rural Travel Fund was established in 2003 with the purpose being to "remove the barrier of cost to participation for those in rural communities". In 2019-2020 the Sport NZ Rural Travel Fund was allocated across 35 'provincial' territorial authorities in Aotearoa.

The Sport NZ Rural Travel Fund is designed to help subsidise travel for junior teams participating in local sporting competitions. It is managed by the territorial authority and the allocation of the fund from Sport NZ is based on a population density formula for territorial authorities whom have less than 10 people per square kilometre.

Sport NZ Rural Travel Fund Eligibility

Application for the Sport NZ Rural Travel Fund is open to rural sports clubs and rural school teams with young people aged between 5 and 18 years who require subsidies to assist with transport expenses to local sporting competitions.

Assessment Criteria

The following criteria shall be applied when considering applications for funding:

A rural school team will be eligible for funding if it is participating in a regular local sports competition out of school time, which excludes inter-school and intra-school competitions run during school time.

A rural sports club team will be eligible for funding if it is participating in an organised, regular sports competition through club membership outside of school time.

Funding will **not** be provided for, and may not be used for, the purpose of travel to regional or national sports competition.
