The future of the Council Owned seawall at Mōkau

Option B - Rate Option 4 : Not replace the Mōkau seawall with General Rate /UAGC District Wide

My comments on the Mōkau Seawall

Sea wall has no value other then to home owners on point rd as there are other access points people have brought and sold houses on point rd knowing there are issues with the sea wall time to retreat from point rd and let nature take its course local council should never have allowed homes to be built on a urupa-just another colonial tactic used to demoralize manawhenua
