

Backyard Bingo

Read. Explore. Learn.

Read a book that has a plant on the front cover	Use an online library database	Make something following a recipe in a cookbook	Count how many birds you can see and hear in your backyard	Read a book with an outdoors theme
Find out 5 facts about a bug you spot in your backyard	Draw your favourite flower	Read a non-fiction book	Make a bookmark	Create a creature using things you find in your backyard
Go for a walk and write a sensory poem about it afterwards	Re-read your favourite book and tell us why it's your favourite		Read a book by an author that is new to you	Do a craft activity you discovered in a book or on a website
Create a poster advertising your favourite book or author	Write a new blurb for a book	Create something using only recycled items	Read a book in your backyard	Invent a new backyard game to play over the holidays
Read a book with a one-word title	Create a backyard treasure hunt	Use an online library resource	Create a poster about an endangered animal or insect	Read a book aloud to a family member, pet or stuffed toy

Here's what to do...

- A complete row (any five squares in a line running in any direction) gives you one entry into the draw of your choice.
- You can enter as many times as you like.
- Each entry must begin with a new bingo sheet.
- Competition is for children between 6-12yrs.

Complete the fun challenges and sit down with a library staff member and tell or show them what you have done, or you can tell us about it via email library@waitomo.govt.nz (include photos if you have created something).

You will receive a sticker for each completed square. 5 squares in a row gives you one entry into the draw.

Competition Dates:

Entries will be excepted anytime between 17th December – 28th January.

If you have any inquiries contact us on 07 878 1028 or email library@waitomo.govt.nz

Task Instructions:

- Use an online database

You can use our library website, we have lots of fun and educational games.

- Count how many birds you see and hear in your backyard

Tell us how many birds you see and hear and what species of bird if possible.

- Create a creature using things you find in your backyard

This can be made from pebbles, twigs, leaves etc.

- If your task requires you to read, tell us about the book afterwards
- If your task requires you to create something, bring it in to show us or take a photo
