**Do you agree with our proposal to change the existing 80km/h speed limit on a section of Oparure Road to 50km/h permanently?**

Yes

**Other comments**

I fully support this as it provides more safety for our tamariki around the kura areas, for whānau pulling in and out of the kura during pick up and drop off times, and for anyone travelling along that road, especially if they don't know the area well. I think there should also be warning signs along that road that the speed on that section of the road is changing to give people time to adjust to it.
