Speak\_to\_Council\_Hearing: No\_not speak

PROPOSAL\_1\_SAFE\_COMMUNITIES: I support Option 2 for proposal 1

SAFE\_COMMUNITIES\_COMMENTS: I very much resent the offensive racial discrimination exhibited in the preferential treatment to be given to consultation with "iwi".

I acknowledge that the Mongrel Mob are a serious threat to safety in our area, and are part of the "iwi". But it would be foolish in the extreme to imagine that your preferential consultation with "iwi" is to procure the dismantling of the Mongrel Mob.

Please correct me if I'm wrong about that.

PROPOSAL\_2\_NORTH\_KC\_SPORTS: I support option 2 for proposal 2

NORTH\_KC\_COMMENTS: We are led to understand that this building will provide for basketball as its main use.

Basketball is one of the most boring sports on the planet, but is very popular with American Negroes and N.Z. Maoris.

We believe that this is the reason for the proposal to build this stadium.

PROPOSAL\_3\_ECONOMIC\_DEVELOPMENT: NO. I do not support Council's proposal 3 Economic Dec

ECONOMIC\_DEV\_COMMENTS: The WREDA is another pie-in-the-sky idea, such as is commonly floated by people who like spending other people's money.

"Talent attraction and facilitation" - doesn't that tell you something about the mentality of its proponents ?

And, as for W.D.C. saving money by avoiding replication of information and services, W.D.C. is budgetting for the cost of at least \$100,000 over the next ten years for membership of this silly agency.

Flag it away, for goodness' sake.

PROPOSAL\_4\_RATES\_REMISSION: YES. I support Council's proposal 4

RATES\_REMISSION\_COMMENTS: These proposals should be separately itemised. They are not related. Any ratepayer might endorse the one while opposing the other.

Employment opportunities would be well enhanced by those households which enjoy multiple income streams giving up one of their jobs.

Pope Paul VI iterated that what we have that we don't need doesn't belong to us: it belongs to someone who needs it.

And that applies to employment.

PROPOSAL\_5\_PUBLIC\_TOILETS: I support option 1 for proposal 5

PUBLIC\_TOILET\_COMMENTS:

PROPOSAL\_6\_FUNDING\_WATER\_SEWERAGE: I support Option 1 for proposal\_6

FUNDING\_WATER\_SEW\_COMMENTS:
