

What's in your shed?

Book your unwanted chemicals NOW!

Unwanted or Expired Agrichemical Collection

The Agrecovery Rural Recycling programme will shortly be holding collections for unwanted or expired agrichemicals in the Waikato region.

To book collection simply go online to www.agrecovery.co.nz or contact Agrecovery on freephone **0800 247 326** for a booking form.

Further information is available on www.agrecovery.co.nz or by contacting Agrecovery directly on **0800 247 326**. For household or garden chemicals please contact WDC on (07) 878 0800, for disposal options as these are not subsidised under the Agrecovery Chemicals programme.

AGRECOVERY
Rural Recycling Programme

WAIKATO

Many chemicals are eligible for free disposal through the support of the 55 brand owners who participate in the Agrecovery programme, while others may be subsidised through central government funding.

Bookings are required by 17th February 2012.
