RESIDENT SURVEY 2016

Waitomo District Council's Resident Survey will be arriving in your letter box this week.

You are invited to share feedback about the services and facilities that we provide to the community. The information we receive through this survey will be used to measure how we perform against our goals and also to help with future planning.

The survey is open from the 2-13 May.

Return your completed survey to the WDC Office, Library or Te Kuiti Visitor Information Centre and be into **win one of five \$200 grocery vouchers.**

WATER RESTRICTIONS

Te Kuiti is currently on Water Restriction Level 4.

This level requires that residents and businesses do not use water for non-essential purposes. This includes activities such as:

- Washing vehicles,
- Filling of swimming pools
- Washing/ water blasting of building exteriors and footpaths
- Using hoses for clean up
- Irrigation of lawns or gardens

For quick tips to conserve water visit our website.

If you have a concern about a water leak please call our friendly Customer Services Team immediately on 0800 932 4357.

DANGEROUS AND INSANITARY BUILDINGS POLICY

Waitomo District Council is proposing to amend its Dangerous and Insanitary Buildings Policy. The purpose of the Dangerous and Insanitary Buildings Policy is to determine the approach to be taken by Council to the management of dangerous and insanitary buildings.

The draft amended policy is open for consultation from 2 May to 2 June 2016.

The Statement of Proposal (including the draft amended policy) and the Summary of Information (including the submission form) are available from:

Waitomo District Council Office

Te Kuiti i-SITE

Waitomo District Library

Council's website www.waitomo.govt.nz

Submissions close 5.00pm Thursday 2 June 2016.
