I wish to speak to Council about my submission

Do you have any feedback on the overall increases to our fees and charges?

The increase in fees for access to the forestry blocks is utterly ridiculous! Where is the planning and oversight from the Council on this matter. Surely, this cannot have been a surprise - the forestry blocks (one of which I've invested in for nearly quarter of a century) needed to know that this was a risk? What justification is being provided for a nearly 1200% increase in the roading access?

Do you have any other feedback on the fees and charges?
