Requirements

I wish to speak to Council about my submission

Yes

Proposal

Option1

True

Option 2

False

My comment on this proposal

What do you think about our plans for our projects and activities?

This is good but it also needs to focus on other activities such as promoting venues such as the Les Munro center.

What do you think about our plans for finances and rates?

Rates need to be more affordable but for this to happen debt needs to be considered this can be fixed by focusing on building council's budget surplus.

Any other comments?

None
