Introduce a targeted or differential rate on the District Roding Rate -

Which option do you prefer? :

Option 1

My comments on this proposal

30 years ago blocks were planted, for 30 years WDC has known these blocks would come up for harvest, poor management for the last 30 years!! And let's be real here, the money they have to spend on more rates isn't going to get those roads fixed, it will be spent elsewhere!!!! Forestry in Waitomo will stop, and approx 50- 200 people will lose jobs. Not only forestry workers, trucking companies, Waitete and claymark saw mills will close down. You need to look at the bigger picture around here.
