Do you agree with our proposal to change the existing 80km/h speed limit on a section of Oparure Road to 50km/h permanently?

No

Kiaora

I suggest that there is a 30 km limit before and after school when students are either being dropped off or picked up with the 30km flashing signs 1km either end of the wharekura entrance. And then back to 50km during school hours and the rest of the road through Oparure village remains 80km.

The marae always has Maori wardens with cones out during events or Tangis so people do show respect and slow down which works well.
