

# Our Resident Survey is out now!

You are invited to share your opinion on the services and facilities that we provide for the residents of the district.

We are also seeking **your opinion on life in the Waitomo District.**

The feedback you share with us will be used to measure how we perform against our goals and also to help with future planning. For your chance to WIN please return your completed survey to the WDC Office, Waitomo District Library or Te Kuiti Visitor Information Centre i-SITE (*currently located in the former NZ Post building*).

**Survey closes Friday 13 May 2016. To complete the survey online visit [www.waitomo.govt.nz](http://www.waitomo.govt.nz)**
