Other comments:

I support this submission. We have 2 school buses that use Boddies Rd as a turn around bay. 2 buses in the morning and afternoon. The other local school buses also use the side metal pit as a pickup and drop off area.

In the morning it can be very dangerous when the buses turn onto Boddies road as it can be very foggy and the vision ahead is not very good. We face trucks and other vehicles behind us. Please help to make our road safer.
