**The future of Waitomo District Landfill**

I agree with Option 2 - Disposing waste outside the district

**My comments on the Landfill**

Based on the information provided in the Consultation Document. 1 - Waste volumes have decreased 2 - The cost to comply with a new Resource Consent. Downside - Potential a cost to the ratepayer in the future.

**The future of the Council Owned seawall at Mōkau**

Option B - Rate Option 5 : Not replace the Mōkau seawall with targeted fixed rate to Mōkau

**My comments on the Mōkau Seawall**

This is my preferred option.

**Reduce the District Wide Benefit Rate for water and wastewater**

Option 2: Status quo - Continue to charge the District Wide Benefit Rates **Amended to Option 1 - Reduce the District Wide Benefit Rates (as per Submission dAP 038b)**

**My comments on reducing the District Wide Benefit Rates for water and wastewater**

This is a no Brainer for our Rural area.

**Do you agree with our amendments to the Rates Remission Policy?**

Yes

**Feedback**

**Do you agree with our amendments to the Revenue and Financing Policy?**

Yes

**Any feedback?**

I don't agree with using a Council approved Contractor if I do not agree who is on the approval list to water, wastewater and storm water. I would rather use someone else that I have confidence in, then someone I do not with regards to proven outcomes and quality workmanship.

**Would you like to make any further comments?**

Thank you for the opportunity to put in a submission.
