Consultation: Amendments to the Rates Remission Policy and Revenue and Financing Policy

Do you have any feedback on the amendments to the Rates Remission Policy and Revenue and Financing Policy?

Consultation: The future of Waitomo District Landfill

We have considered the future of our landfill and whether it is more cost-effective to transport waste outside of the district.

Do you agree with Option 1 - Continued disposal of waste, and expansion of the landfill?

☐ Yes ☐ No

Do you agree with Option 2 - Disposing waste outside the district? (Council's Preferred Option)

☒ Yes ☐ No

My comment on the landfill

Consultation: Reduce the District Wide Benefit Rates for water and wastewater

Council is proposing to start reducing the district wide rates for water and wastewater charged to all rating units in the district.

☒ **Option 1:** Reduce the District Wide Benefit Rates (Council's Preferred Option)

☐ **Option 2:** Status quo - Continue to charge the District Wide Benefit Rates

Consultation: The future of the Council-owned seawall at Mōkau

The Council-built rock seawall at the end of Point Road, Mōkau has degraded and is now irreparable, which means the seawall either needs to be renewed or removed.

We have considered two different options with a range of different ways to fund it.

☒ **Option A - Rate Option 1:** Renew the Mōkau seawall with a 50:50 rating split (Council's Preferred Option)

☐ **Option A - Rate Option 2:** Renew the Mōkau seawall with General Rate /UAGC District Wide

☐ **Option A - Rate Option 3:** Renew the Mōkau seawall with Targeted Fixed Rate to 'Urban Mōkau'

☐ **Option B - Rate Option 4:** Not replace the Mōkau seawall with General Rate /UAGC District Wide

☐ **Option B - Rate Option 5:** Not replace the Mōkau seawall with Targeted Fixed Rate to 'Urban Mōkau'

My comment on this proposal
