Should we move the Awakino Transfer Station to Mōkau?

I agree with Option 2 - Keep the Transfer Station in Awakino

My feedback on the Awakino Transfer Station

My preference is to keep the transfer station at Awakino however if the rubbish was kept in bins in an enclosed area and not allowed to get smelly then the move to Oha Street may not be too bad of an option.

My main concern is around the rubbish/recycling near the toilet block. Most of the excess rubbish is from people passing through while they use the toilets. I think the old toilet block could be converted into a rubbish/recycling area rather than allowing a smelly overflow of rubbish spilling out to the footpath. I doubt travellers will stop twice in the village, once for toilets and again at Oha St for rubbish disposal so a cleaner, tidier looking rubbish/recycling area in the old toilet block would assist to keep the village tidier.

I don't believe having the transfer station at Awakino is a hinderance to any local. The only hinderance would be the very short hours it is open.

Do you have any feedback on the Draft Annual Plan 2026-27?
