Other comments:

My Whanau line (Paki-tiki) have a property that I tend to visit quite often. They have also been residents here for over 100 years. I believe it should change due to it being temporary for a few years. I feel that gives certain people an excuse to determine their own speed. There is also a kura & marae, so a few factors like children, tangis, events happen so often here. We would like it to be safe for people to leave these areas without worrying about cars speeding past.
