

DESIGN OUR NEXT LIBRARY CARD!

Use your imagination to create the library card of your dreams. Your artwork could be selected to become a real, limited-edition library card used by library members!

- Create your design in the box above. Remember, the final library card will be much smaller than the space provided.
- If you wish to make a design digitally, please check terms and conditions for information.
- Keep the most important parts of your design away from the edges, as the card may be cut slightly when printed.
- Please do not add embellishments such as glitter, stickers, gems, or other attached materials.
- The library logo will be added to winning designs before printing. Logo placement will be determined by library staff.
- We recommend using four colours or fewer where possible.
- If permission is granted, the artist's name will be included on the back of the final library card.
