### **Control of Dogs - Sections 52, 53 and 54A**

The owner of a dog must keep the dog under control at all times and, when in a public place with the dog, must use or carry a leash at all times. A dog will be treated as not being under control:

- if it is found at large on any land or premises other than a public place or a private way without the consent (express or implied) of the occupier or person in charge of the land or the premises; or
- if it is found at large in any public place or in any private way in contravention of any regulations or bylaw.

You will commit an offence and be liable on conviction to a fine not exceeding \$3,000 if you fail to comply with this provision.

### **Obligations of dog owner on owner's property - Section 52A**

The owner of a dog must ensure, when the dog is on land or premises occupied by the owner:

- that the dog is under the direct control of a person; or
- that the dog is confined within the land or premises in such a way that it cannot freely leave the land or premises.

You will commit an offence and be liable on conviction to a fine of \$3,000 if you fail to comply with this provision. In addition, a dog control officer or dog ranger may seize and impound the dog.

### **Obligations of dog owner generally - Section 54**

The owner of a dog must:

- ensure that the dog receives proper care and attention and is supplied with proper and sufficient food, water, and shelter; and
- ensure that the dog receives adequate exercise.

You will commit an offence and be liable on conviction to imprisonment for up to 3 months or to a fine not exceeding \$5,000 if you fail to comply with this provision.
