### Electing the Mayor

#### **John ROBERTSON**

My principal place of residence is in the Waitomo District Council area.

I have been privileged to serve you as Mayor over the last three years. I seek your support to continue.

I promised three years ago to tackle the key issues facing Council - get debt under control, keep rate increases to a minimum, improve governance and increase transparency. All four goals have been achieved.

Additionally Council land is being released for housing, the long touted King Country Sport and Recreation Centre is under construction, a new Chief Executive is in place, and community engagement has reached new levels.

You know my background - raised in the King Country, served in leadership positions in the private and public sectors in NZ and overseas. I am now applying this experience to help guide our district council.

Experience matters. There is much more to do. Let's continue on this journey, together.
