REASONS

1. This is an application by Tainui Wetere Domain Recreational Reserve Society Inc for a special licence for a series of Tainui Rugby Games to be held at the Tainui Rugby Football Club. The application was filed more than 20 working days prior to the event as required by section 137.
2. The Liquor Licensing Inspector, Police and Medical Officer of Health have no objection to this application for a special licence (s 141). Accordingly, this application is decided on the papers (s 202).
3. The object of the Act is to ensure that the sale and supply of alcohol is undertaken safely and responsibly and the harm caused by excessive or inappropriate consumption of alcohol is minimised (s 4).
4. In deciding whether to grant a special licence the Waitomo District Licensing Committee must have regard to the criteria in s 142 of the Act. Therefore, this committee must consider the following questions within the framework of the purpose and object of the Act:
 - a) What is the nature of the event? Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments and food?
 - b) Is the applicant suitable?
 - c) Will the amenity and good order of the locality be reduced to more than a minor extent by the effects of the issue of the licence?
 - d) Are the days and hours during which the applicant proposes to sell alcohol reasonable?
 - e) Is the design and layout of the premises suitable? Are any areas of the premises designated restricted or supervised areas?
 - f) Does the applicant have appropriate systems, staff and training to comply with the law? What steps will the applicant take to ensure that alcohol is not sold to prohibited persons?
 - g) What proposals does the applicant have in relation to the sale and supply of non-alcoholic drinks and food, low-alcohol drinks and the provision of help with or information about alternative forms of transport from the premises?
 - h) Have the Inspector, Police and Medical Officer of Health raised any relevant considerations?
 - i) Does the application comply with the Waitomo District Local Alcohol Policy?

Should the special licence be granted?

5. A special licence is required for four after match event in the Tainui Rugby Games series. Less than 100 people will attend each event. The licensing committee is satisfied that the proposed hours are reasonable.
6. The licensing committee is satisfied that Tainui Wetere Domain Recreational Reserve Society Inc is a suitable applicant to hold a special licence. Tainui Wetere Domain Recreational Reserve Society Inc has been granted a number special licences in the past and no issues of concern have arisen.
7. The application complies with the Waitomo District Local Alcohol Policy.
8. Given the nature of the event and the venue it is not likely that the issue of the special licence will adversely affect neighbouring properties.
9. The licensing committee is satisfied that the design and layout of the premises is suitable given the temporary nature of the licence. The clubrooms will be designated as a supervised area (no persons under 18 can be in the area unless with their parent or legal guardian).
10. Tainui Wetere Domain Recreational Reserve Society Inc does not propose to have a certificated duty manager at this event. This is because a certified duty manager could not be sourced from the Awakino Hotel this year. However, the licensing committee is satisfied that an exemption may be granted from the requirement to appoint a duty manager (s 213). The events are relatively small and Tainui Wetere Domain Recreational Reserve Society Inc is capable of managing them without a certificated duty manager. Maxine Lovell will take responsibility for the management of the event and ensure that it complies with the Act. Maxine has had previous bar experience working at the Awakino Hotel and has completed her Servewise Certificate. She will be assisted by other experienced volunteers, Peter Johns (who has served behind a bar before and is an ex-All Black) and Christine Richardson (Principal of Ahititi School), and Melissa Jones (a previous special licence holder for this event). Maxine Lovell will also liaise with Police.
11. The licensing committee is satisfied that the applicant will provide sufficient food, low-alcohol and non-alcoholic refreshments. Free water will also be provided. Sober drivers will be promoted as a safe option for transport home from the event.

Conclusion

12. The licensing committee is satisfied that the grant of the special licence with the appropriate conditions will ensure the safe and responsible supply of alcohol and the minimisation of harm caused by excessive or inappropriate use of alcohol. Therefore, the application for a special licence is granted.
